

Admissions Guidelines: Ontario

General admission guidelines applicable to all programs:

- Grade 12 university-level English (ENG4U)
- Four additional Grade 12 university (U) or university/college (M) level courses
- Minimum overall average of 70% (75% required for Biology or Kinesiology)

Specific program admission guidelines:

- **Applied Science (Engineering)** – Advanced Functions (MHF4U) and Chemistry (SCH4U). Physics (SPH4U) recommended. A minimum grade of 60% is required in Mathematics and Chemistry.
- **Biology** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U) and Chemistry (SCH4U). A minimum grade of 60% is required in Chemistry.
- **Business Administration** – English (ENG4U) with a minimum 70% and Math of Data Management (MDM4U) or Advanced Functions (MHF4U).
- **Chemistry** – Advanced Functions (MHF4U) and Chemistry (SCH4U) A minimum grade of 60% is required in Mathematics and Chemistry.
- **Community Development** - Math of Data Management (MDM4U) or Advanced Functions (MHF4U).
- **Computer Science** – Advanced Functions (MHF4U) with a minimum grade of 60% (applicants with only MDM4U will be required to successfully complete the non-credit Math 0120 course in the first semester of the program).
- **Economics** – Bachelor of Arts - Math of Data Management (MDM4U) or Advanced Functions (MHF4U). Bachelor of Science – Advanced Functions with a minimum grade of 60%.
- **Environmental Geoscience** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U) and Chemistry (SCH4U) A minimum grade of 60% is required in Chemistry.
- **Environmental Science** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U) and Chemistry (SCH4U). A minimum grade of 60% is required in Chemistry.
- **Geology** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U) and Chemistry (SCH4U). A minimum grade of 60% is required in Chemistry.
- **Kinesiology** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U).
- **Mathematics** – Advanced Functions (MHF4U) with a minimum 70%.
- **Music** – All prospective music students will complete a School of Music application. For students interested in the Bachelor of Music and Bachelor of Music Therapy degrees, a live (or recorded) audition is required with the application.
- **Nutrition** – Math of Data Management (MDM4U) or Advanced Functions (MHF4U) and Chemistry (SCH4U). A minimum grade of 60% is required in Chemistry.
- **Physics** – Advanced Functions (MHF4U). Physics (SPH4U) recommended.
- **Psychology** – Grade 12 Math of Data Management (MDM4U) or Advanced Functions (MHF4U).

High school transcript self-report of grades:

- Students have the opportunity to self-report their transcript information, which Acadia will use to assess admission to degree programs. High school applicants must report all academic Grade 11 and Grade 12 courses along with all available midyear or final grades. Information provided will be automatically assessed and applicants will be advised of their admissibility to Acadia.
- Offers of admission based on self-reported transcript information will be verified with the final official transcript from your high school or provincial Ministry of Education. You should arrange for your final transcript to be sent to Acadia at the end of June. All applicants must have self-reported their course information accurately and must maintain their academic admission average in their final results; otherwise the offer of admission may be withdrawn.

Early fall admission:

Students may be considered for early fall admission before their first set of Grade 12 marks is available. Students applying for early fall admission should include their final Grade 11 marks and a school-approved list of courses they are taking in Grade 12 (both semesters) with their application. Grade 12 courses must be consistent with the guidelines listed above.

Entrance Scholarships:

An admission application and all required supporting documents for admission must be received in the Admissions Office before March 1 in order to be considered for an entrance scholarship.

Costs for first-year full-time students (2021-2022)

Tuition - Undergraduate		Room and board*	
Tuition	\$9,477	Shared double room, 7 day meal plan	\$10,528
Technology Fee	\$568	Medical and Dental**	
Athletics & Health Services Fee	\$247	Student health and dental, single person, 12 months	\$396
Subtotal	\$10,292	Other fees	
		Student organization and access fees	\$321
		Total estimated costs	\$21,537

* Other options for residence and meal plans are available.

** Not required if you have alternate coverage.
